2015 Corporate Sponsorship Appeal

As 2015 unfolds, I want to personally thank you for your extraordinary partnership, support and generous loyalty you have shown to OSCA. As a Corporate Sponsor, you realize the importance and value that Omaha Sister Cities Association brings to the Omaha Community:

Business Awareness: Omaha Sister Cities Association has had Greater Omaha Chamber of Commerce representatives on our Board of Directors to provide ready access to OSCA's Coordinating Council Chairman. We assisted an international manufacturer (Claas – Germany) to locate in Omaha. We also assisted Gavilon during its sale transaction with Marubeni, a Japanese company. Since then, we have helped twelve Japanese nationals integrate into the Omaha Community.

International Arts and Cultural Events: OSCA has presented many cultural events and performances to Omaha. These range from Taiko Drummers performing during the popular Annual Japanese Ambiance Festival at Lauritzen Gardens, to the Diego Rivera exhibition at The Joslyn Museum, and the Shizuoka Philharmonic performance at the Orpheum.

Visitor and Exchange Activities: Each year, our six Omaha Sister Cities sponsor educational, cultural and business exchanges. We have international visitors participating in undergraduate and graduate university studies; educational exchanges involving high school and junior high school students; and visiting delegations from our Sister Cities. Recently, we compiled the following on visitor days, educational presentations and exchanges:

- 1,052 Sister Cities Visitor Days in Omaha
- 65 Omaha Citizens to a Sister City
- 7 Omaha Students Attending a Sister City University
- 29 Sister City Students Attending Omaha Universities & High schools
- 2,115 Students and Adults attending OSCA Educational Presentations.

Concluding, we are deeply grateful for your generosity and support of our efforts. We now ask that you please *Join / Renew Your Sponsorship* to enable us to continue providing vital services to the Greater Omaha Community that we serve. I look forward to personally seeing you soon.
