George Behringer  
Honorary Consul - Japan

OMAHA SISTER CITIES  
ASSOCIATION

Dear OSCA Supporter,

The Omaha Sister Cities Association (OSCA) has a leading role in shaping and enhancing Omaha's international profile through its exchanges and program activities with our six international sister cities. During the past year, OSCA expanded its international relationships by initiating a Friendship Agreement with Isigny-Omaha Intercom, a French collective of 59 communities that overlook Omaha Beach in Normandy, and we look forward to deepening our relationship with our new French partner.

By hosting international visitors for home stays, high school and college student exchanges, teacher exchanges and cultural events, and business promotion, OSCA enriches our community through connections with citizens of our partner cities. I hope you will join OSCA today. Your membership and continuing support enables us to increase Omaha's international profile and promote mutual understanding while fostering grass roots diplomacy, cultural exchanges and business and trade partnerships.

**Please consider joining or renewing your membership with the Omaha Sister Cities Association today.** As a member you enroll in a network of community leaders, and more importantly you support OSCA's international programming efforts. I also hope you will attend our annual OSCA Global Gala on April 5, a signature fundraising event to celebrate our accomplishments and support OSCA's programs. Please refer to the enclosed information to reserve your space.

Thank you again for your consideration and support.

Sincerely,

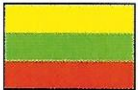

John Hawkins  
OSCA Board President
